TO WHOM IT MAY CONCERN: URGENT!

The president and board of directors of the Haitian Caribbean American Organization of Texas (HACAOT) are deeply saddened by the loss of life and devastation caused by the recent earthquake. Thousands of our friends and family members have been affected by this catastrophe, and our hearts and prayers go out to them at this time of great loss.

We know that thousands of people are already donating money not only to HACAOT, but also to many other reputable organizations in support of their relief efforts, but we are inviting and encouraging everyone to donate dry food, water, medical supplies, tents, clothes, skills and funds to HACAOT as well at <http://www.hacaot.org>, all donations received for the victims of the earthquake in Haiti will be used for this relief effort.

HACAOT is a humanitarian, charitable and a 501 c 3 non-profit organization, with the purpose to support and organize relief efforts in time of disaster and help any underprivileged Caribbean group(s) or individuals within the United States or outside the borders. We are dedicated to do all that we can to help ease the tremendous burden and heartache that our brothers and sisters from Haiti are currently facing.

HACAOT is currently coordinating and planning to send a team of doctors, interpreters, and equipment to assist the victims of the earthquake as we continue to plan for our regular annual medical mission.

HACAOT is very grateful for the outpouring of support and all the donations we have received so far, and we hope that this amazing outpouring of goodwill will continue not only with the current relief efforts, but with the tremendous rebuilding efforts that will be needed in the near future as well, we encourage you to donate to us as well by sending a check or money order payable to HACAOT at P.O. Box 10128, Killeen, TX 76547, or simply by visiting our website at www.hacaot.org to donate through PayPal.

On behalf of the Haitian people, we thank everyone and ask you to include Haiti in your prayers and gifts. For further information please contact me at 512-282-6927.
